

Conversations Like a Coach

SPARK trust, ideas, and action

Most managers want to coach – they just aren't sure how. SPARK is a 5-step coaching framework that helps leaders slow down, listen fully, ask better questions, and guide team members toward ownership and action.

Who This is For

- Managers who want to build trust, ideas and action.
- Organizations seeking practical, scalable training.

Coaching conversations create better results.

Manager learning options:

- Free [one-page guide](#)
- 1:1 Coaching with Joan
- 2-hour webinar practice session - [Click here to express interest](#)

Help your managers coach, not just manage.

Organization learning options:

- Facilitated 2-hour or 4-hour practice sessions
- Train-the-trainer licensing for internal teams
